PROFESSIONAL SUMMARY

I'm Suman Paudel, a civil engineer and lecturer from Morang, Nepal. I have a bachelor's degree and experience in various engineering fields. I'm passionate about teaching and inspiring future engineers. My work focuses on sustainable infrastructure and innovative technologies. I'm committed to making a positive societal impact through my profession.

EXPERIENCE

September 2021 - Present

Lecturer

NBK Polytechnic College

- Deliver lectures on Engineering Surveying, Drawing, Estimation, Costing, and AutoCAD to diploma students.
- Conduct practical classes in Surveying and AutoCAD, integrating theory with practice.
- Supervise and coordinate survey camps for hands-on experience.
- Update course materials to meet industry standards.
- Assess student performance through exams and projects, providing feedback.
- Mentor students on academics, career paths, and professional development.

June 2021 - Present

Civil Engineer

Abhyudaya Engineering Pvt. Ltd.

- Create architectural and structural drawings using AutoCAD and SketchUp.
- Analyze and design structural stability using SAP2000 and ETABS.
- Coordinate with clients and manage project schedules and resources.
- Implement quality control, conduct site inspections, and resolve construction issues.
